

**DETERMINATION OF NONSIGNIFICANCE
ISSUED BY
DOUGLAS COUNTY
TRANSPORTATION & LAND SERVICES**

Description of proposal: To comply with federal and state and state regulations, specifically the Department of Ecology, NPDES Phase II Municipal Stormwater Permit. The goal of the proposal is to develop, adopt, implement and enforce a program to address stormwater discharges associated with construction projects and to develop standards for design, construction and maintenance of permanent stormwater facilities.

Proponent: Douglas County Transportation (Stormwater)

Location of proposal: Douglas County, Washington

Lead Agency: Douglas County Transportation and Land Services

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
