1. CALL TO ORDER- 1:30 P.M.
2. ADMINISTRATIVE AFFAIRS / OLD BUSINESS
3. NEW BUSINESS
  - A. 1:30 P.M. - SP-2021-01 (Douglas County PUD #1): A proposal for a shoreline development permit to construct a transmission line and associated facilities in the northern mid-Columbia area of Washington State. The first landing is located along the existing corridor within Rock Island (which will be processed by the City of Rock Island) and the second connecting to the Columbia Substation near the Palisades Rd turnoff within the Rural Conservancy Shoreline Environment. The new transmission line would reduce congestion by providing increased capacity for power flows to several transmission facilities in the northern mid-Columbia area. The subject properties are located along the Columbia River in Douglas County and Chelan County. The properties are located in shoreline jurisdictions and construction will take place within existing transmission line easements. The Assessor's Parcel Numbers are, 21222820005, 21222820021 and 21222130003.
